**For the attention of the pharmacy owner (this email may need to be forwarded on)**

Dear Pharmacy Contractor,

Important changes are being proposed for your Local Pharmaceutical Committee (LPC) and for the Pharmaceutical Services Negotiating Committee (PSNC) the national pharmacy negotiator. We are administering the National Vote on the Future of PSNC and LPCs on behalf of the Review Steering Group. Your views are now needed to proceed via a vote of all pharmacy contractors in England. This is a unique opportunity to shape the future of PSNC and the LPCs, and every vote is important.

**Read a two-page summary of the proposals and then cast your vote electronically today – it will take approximately two minutes, following the unique link here. Voting closes at 11:59PM on 17th June 2022. Your pharmacy will not be able to cast your vote after this time.**

About your vote: One vote will be permitted per contract owned (i.e. one vote per ODS code)
